

Dear Partner:

GREETINGS

We arrived home 20th March and have been very busy with the ministry to develop SALT Bible Schools and Children's ministry in India. We plan to issue newsletter updates at least monthly. Here is an update on Children's ministry.

CHILDREN INTERCEDING

Pastor Raju Bhai arranged for three groups of children to come on a Saturday to his church for ministry. Anita, Becki and Ashley ministered to them in song, skits and bible verses. Hank ministered on healing and baptism of the Holy Spirit.

BAPTISM IN THE HOLY SPIRIT

I just started by reading out Acts 2:1-4 and then I spoke to the children to believe that the Holy Spirit is filling this place with tongues of fire. So open up your mouth and take five deep breaths, breathing in these tongues of fire by faith. Now you are filled up. Open up your mouth and start to move your tongue and the Holy Spirit will give the utterance.

Children in Spiritual Warfare Gujarat Feb 2010

Most of the children instantly start to speak in tongues as they obeyed. This group of young girls, displaced from their homes in the Dangs area by persecuting Hindus, and now living in a children's orphanage, started to speak in tongues. Soon they were in deep intercession before the throne of the Father. In fact I heard the Father say very clearly to me that I have

been waiting for my children to come to me corporately and when they do thousands upon thousands of souls shall be saved in India.

It was so reverent and so wonderful to hear them intercede. They were pressing in with great fervor and passion before the Father. I did not want to stop their intercession.

The next day when we met Pastor Raju Bhai, he said that two of the girls had visions. One girl saw many hens laying eggs and many angels round about the hens taking care of the eggs. Yes she saw the souls being born again as the Lord had spoken to me. So yes children can intercede in tongues to do the Lord's will and get visions about what they are praying. They have open hearts and nothing in their heads to block their intercession.

KIDS IN MINISTRY INTERNATIONAL

We have been missing out not training up our children starting at 3 years old with the meat of God's word, so they can hear the voice of God, they can have visions, they can speak in tongues, they can lay hands on the sick and they shall be healed. In other words they can do the entire ministry that Jesus did or adults can do. By not training up our children at this early age we are missing out on having God's children army trained up to do His work. Today Father God is calling forth the Benjamin Generation. His spirit is falling upon Children and they are seeking a supernatural experience. Once they experience the presence of God they will not want to experience any counterfeit that satan produces.

KIDS ARE HUNGRY FOR REALITY IN CHURCH AND CHRISTIANITY! THEY WANT TO REALLY FEEL HIS PRESENCE. THEY WANT TO REALLY HEAR HIS VOICE. THEY WANT TO REALLY EXPERIENCE HIS POWER.

WHY ARE WE NOT ABLE TO SIGNIFICANTLY IMPACT OUR OWN CHILDREN AND KEEP THEM AS ACTIVE MEMBERS OF THE BODY OF CHRIST AFTER

HAVING THE OPPORTUNITY TO INFLUENCE THEM THROUGH THEIR MOST IMPRESSIONABLE YEARS?

WE OBVIOUSLY ARE NOT DOING MUCH "IMPRESSING".

WHAT IS THE PROBLEM?

WE MUST ASK WHICH IS MORE IMPORTANT FOR OUR KIDS TO KNOW HOW MANY STONES DAVID PICKED UP TO KILL GOLIATH, OR TO KNOW THE VOICE OF THE MASTER IN THEIR EVERYDAY LIVES!

CHILDREN ARE NOT SERIOUSLY **DISCIPLED!**

IF WE HAVE NOT TOTALLY CAPTURED THE HEARTS OF OUR CHILDREN BY THE TIME THEY ARE TWELVE YEARS OF AGE, IT'S POSSIBLE WE WILL COMPLETELY LOSE THEM WHEN THEY REACH THEIR TEEN YEARS.

WHAT GOES WRONG?

CREATING A TYPE OF SPIRITUAL ENVIRONMENT WHERE THE CHILDREN ARE ACTUALLY ABLE TO EXPERIENCE GOD RATHER THAN JUST LEARN ABOUT HIM IS IMPERATIVE TO CHANGING CHILDREN'S ATTITUDES TOWARDS CHURCH.

KIDS HUNGER FOR A REAL GOD!

SPIRITUAL HUNGER AND AWARENESS ARE ON THE RISE IN OUR CULTURE AND CHILDREN ARE AS AFFECTED AS EVERYONE ELSE. WE MUST BRING THEM AUTHENTIC EXPERIENCES IN GOD'S PRESENCE.

IS HARRY POTTER MORE REAL THAN JESUS?

YES AND EVEN CHRISTIAN PARENTS ALLOW THEIR CHILDREN TO READ THIS WITCHCRAFT.

TRANSLATION OF CURRICULUM INTO INDIAN LANGUAGES

We are busy helping Christine Soude, KIMI Indian Director, to translate these curricula into many Indian languages. Please contact us if you can help in the translation of this material in your local language. We have most of them translated into Hindi but only the first one translated into some other languages.

It is our plan that believers will be able to conduct power clubs in villages with all children as well as in the churches. So we need all the curricula translated and believers trained to use them.

We invited Christine Soude to come to our Bombay gathering in Feb and to explain the need to minister to children from 3 to 14 years of age. We had over 100 leaders from all over India present to hear how to minister to children using the KIMI material.

A Word of Thanks to Our Supporters

I would like to thank all those that give regularly to the mission with their finances and all those that interceded for the success of the ministry and our mission to India this year especially Capital City Church youth and children. Two grand daughters, Ashley and Beckie, participated in ministry to many children and youth in four different states of India from 8 Jan to 20 Mar 2010.
